- **Indian state introduces 'fat tax'** 印度一省拟征收“脂肪税”

文字稿

Malnutrition is still, of course, a major problem in India, so it's perhaps surprising that many Indians are seriously overweight. In fact, obesity has become such a major concern there, one state has proposed a **so-called** fat tax of 14.5% on restaurants that sell fast food, to try to make people more health conscious.

众所周知，在印度，营养不良仍是一个严重的问题，所以说很多印度人的体重严重超标，则可能会令人有些吃惊。其实，肥胖症已成为该国所面临的一个主要担忧，以至于印度一个省份提议征收所谓的“脂肪税”——对餐厅里出售的快餐征收 14.5%的“脂肪税”以使人们提高健康意识。
